LION Minecraft Server Request

You must meet these qualifications in order to be added to the Minecraft server:

-Be a Meriden resident

-Be 17 years of age or under

-Have a valid library card in good standing (current fines must not exceed $5.00)

After verifying that you meet these qualifications, we will send you a confirmation e-mail with the server address.

Last Name: _____

First Name: _____

Date of Birth: _____ **Grade:** _____

Email Address: _____

Telephone Number: _____

Library Card Number: ___ _____

Minecraft (PC/Mac) Username: _____

I am aware that my child is requesting access to a Minecraft server provided by the LION Library Consortium.

I understand that my child will be able to interact with other library users remotely through this online game.

I understand that my child may be banned from using said server for poor conduct which includes using inappropriate language, harassing other players, using client-side modifications, spamming, and/or other behavior deemed inappropriate by administrators.

I am granting permission to allow my child's Minecraft (PC/Mac) username to be given access to the LION Minecraft server as:

○ Architect – For patrons in grades K-5. Access to creative worlds, no chat or PvP.

○ Guardian – For patrons in grades 6-12. Access to PvP, creative worlds and global chat channel. Patrons "age out" on their 18th birthday. Parents can allow their K-5 children to be placed in this group.

Parent/Guardian Signature: _____

Date: _____
