Mysteries & Thrillers

Shady Hollow: A Murder Mystery - Shady Hollow is a small forest town filled with many woodland creatures. It was peaceful until one is murdered. Vera Vixen, town reporter, follows her nose to sniff out the potential murderer in this charming series.

The Mystery Guest - Molly the Maid finds that she is at the center of another mystery to be solved! Book two in the series - just as engaging as the first one!

The Guest List - A high-profile destination wedding in Ireland starts out normally enough, but then things take a turn for the worse and someone turns up dead. Who is behind the murder and will they be caught before anyone else is murdered?

All the Sinners Bleed - Titus Crown is the first Black sheriff in the history of Charon County, Virginia. All is not good in Charon as Titus find out that there is a serial killer operating, with possible connections to a local church. Obstacles appear left and right as Titus tries to bring this killer to justice.

Black Sheep - Vesper White is a jaded twentysomething who's family is anything but run of the mill. She left home at eighteen and only considers going back because of her cousin's wedding. When she returns, family secrets are unraveled at an alarming rate.

None of This Is True - Celebrating her forty-fifth birthday at her local pub, popular podcaster Alix Summer meets an unassuming woman, Josie Fair, who happens to be her birthday twin. Alix keeps running into her and starts to learn that there is more to Josie than what she expected.

The Couple Next Door - Anne and Marco Conti seem to have it all. However, after a crime is committed next door to them, they both soon discover that the other is keeping secrets, secrets they've kept for years.

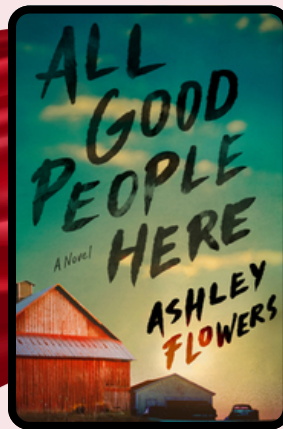

The Good Lie - Six teens were murdered by the Bloody Heart serial killer and a suspect is behind bars. However, psychiatrist Dr. Gwen is an expert on killers. She begins to relook at the case and notice some interesting observations leading her to new conclusions...

The Housemaid - This author has developed a reputation for super twisty psychological thrillers. This one does not disappoint! The Winchesters have their eccentricities, but the maid is hoping they don't find out who she really is and what she is truly capable of!

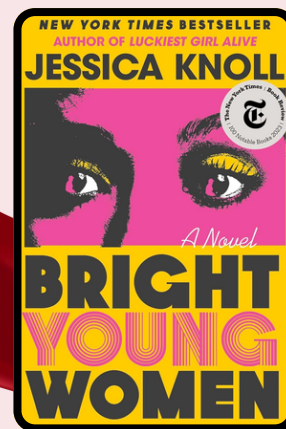

The Cloisters - Ann Stilwell is spending the summer as a curatorial associate at the Cloisters. Soon after she starts, she discovers a hidden 15th-century deck of tarot cards that might hold the key to predicting the future. The stakes become higher as more people find out about about this discovery.
